Packing and Shipping:

32cm Bendable Durable & Flexible Handle Grip Silicone Soft Bristle Cleaning Brush
Packaging and Shipping of Silicone Bottle Brush

Silicone Bottle Brush is typically packaged and shipped in a box or envelope. The box or envelope should be labeled with the name of the product, the size, and/or the number of items contained in the package. For safety and security, any fragile items should be clearly labeled as such.

The box or envelope should also be sealed with tape to ensure the contents remain secure during shipping. Depending on the size and weight of the product, it may need to be packaged in a larger box with padding to ensure it arrives in perfect condition.

The package should also be labeled with a return address and contact information for the sender. This will help ensure that the package can be easily returned if it is lost or damaged during shipping.

Collapsible Silicone Bottle

- Food grade silica gel material
- The brush bar can be bent freely and used flexibly
- no hair falling, no water accumulation
- 360 degree cleaning, no dead angle

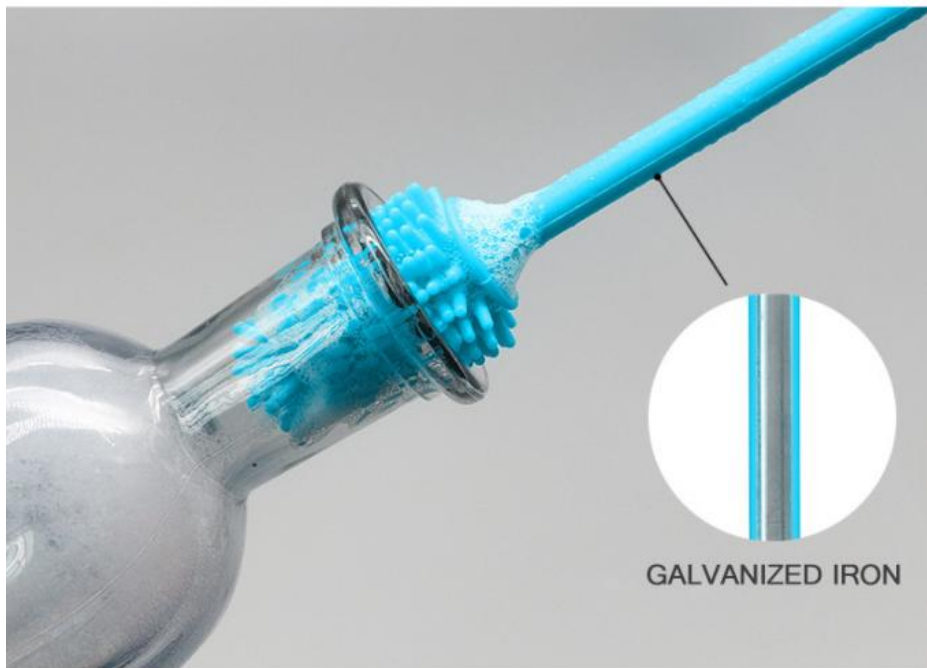

SPONGE BOTTLE BRUSH

Sponges are easily deformed and damaged, the residual moisture is not easy to dry, and it is easy to breed bacteria

NYLON BOTTLE BRUSH

Easy to lose hair, shave the body of the vase, and have the danger of being swallowed

GALVANIZED IRON
