Product Description

Product Description:

2000ML B Style Convenient And Eco-Friendly Silicone Food Bag With Leakproof Seal Safe For Food

Silicone Food Bag is an ideal kitchen accessory for storing and preserving food. It is made of high-quality silicone material, which is non-toxic, odorless, and safe for food storage. The bag is designed with a square shape that has a capacity of 200ml, 500ml, 1000ml, 2000ml, or 4000ml. It can withstand temperatures ranging from -40 to 230, making it durable and suitable for a wide range of uses. Available in a variety of colors such as green, blue, red, and white, the Silicone Food Bag can be used for reheating, freezing, and microwaving food. It is also very easy to clean and can be reused multiple times.
